

The mission of Concord University is to provide quality, liberal arts based education, to foster scholarly and creative activities and to serve the regional community (<http://www.concord.edu/academics/>).

Course Prefix, Number and Title: MATH 309, College Geometry

Course CRN # and Section: 20201, 01

Semester Taught (including year): Spring, 2019

Credit Hours: 3

Prerequisites: MATH 253, Calculus I

Course Time (if applicable): 9:30 - 10:45 TR

Building and Room Number (if applicable): S-105

Professor: Dr. W.R. Winfrey

Office Location: S-100C

Office Hours: 8:00-9:30, 2:00-3:00 TR

Email: wrwinfrey@concord.edu

Phone: 304-384-5217

Office Fax: 304-384-6225

College/Department Website

<http://math.concord.edu>

Course Description/Rationale: A careful treatment of Euclidean and non-Euclidean geometries with emphasis on a transformational point of view. The course is needed by Mathematics Education Students as well as Mathematics Majors in understanding how geometry is used in many different areas of mathematics.

Course Management System (Blackboard/Moodle or other systems): None

Hardware/Software Needed (include privacy policies, if applicable): None

Text requirements: The Geometric Viewpoint: A Survey in Geometries by Thomas Q. Sibley, 1998 a free pdf version is available at <http://www.employees.csbsju.edu/tsibley/textbook.htm>.

Concord University Educational Goal(s)

Skills 1,2,4,6 Knowledge 4,7 Attitudes 7

National Standards (if applicable)

Addresses, at least in part, the following national standards:

NCTM 1a. A.1.3,A.3.1,A.3.2,A.3.3,A.3.4,A.3.6,A.3.8,A.3.9,A.3.10,2a,2b,2c,2d,2e

Specific Learning Outcomes

- Euclidean geometry
 - constructions with Euclidean tools
 - problems which are not solvable with with Euclidean tools
 - historic reasons for using Euclidean tools to do geometry
- Axiomatics
 - Hilbert's axiomatic approach to geometry
 - Gödel's theorems
 - Implications of assuming parallel postulate is true or assuming parallel postulate is false
- Analytic geometry
 - conic sections
 - curve fitting
- Non-Euclidean geometries
 - omega triangles
 - hyperbolic geometry
 - taxicab geometry
 - spherical geometry
- Transformations
 - properties of transformations
 - group theoretic treatment of transformations
 - algebraic representations of transformations
 - isometries
 - affine transformations
- Symmetry
 - symmetry in the plane
 - tiling of the plane
 - symmetry in science
 - fractals

Course Requirements

Grading Policy and Scale, Make-up Policy, Late Work

No make-up tests will be given for the midterms. If you have a valid reason for missing a midterm test, your grade on the final examination will be substituted for that of the missed test. Homework constitutes 15% of the course grade, the tests constitute 65% of the course grade, and the final examination constitutes 20% of the course grade. The grade scale: A = 90 to 100, B = 80 to 89, C = 70 to 79, D = 60 to 69, F = below 60. If you have taken all of the tests, your course grade will not be lower than your final examination grade

Course Timeline (Schedule of Assignments/Assessments/Presentations)

I plan to give three tests. The first test will be at the end of chapter 1. The second test will be at the end of chapter 2. The third test will be near the end of the semester.

Accessibility/Accommodations:

Concord University is committed to responding to the needs of students with disabilities as defined by the Americans with Disabilities Act. Please inform your instructor at the beginning of the class semester if you have a disability and are requesting accommodations. It is your responsibility to self-disclose that you are requesting accommodations. The University and instructor will provide you with a reasonable accommodation. You should register with CU's Disability Services Office, located in the Athens campus Jerry and Jean Beasley Student Center, Bottom Floor, across from the Campus Post Office. The Disability Services Office phone is 304-384-6086 or you can email the Director, Nancy Ellison, at nellison@concord.edu for assistance.

Academic Dishonesty

Academic dishonesty is morally unacceptable as well as destructive to the learning and teaching atmosphere. Academic dishonesty includes the giving or receiving of improper help on examinations or assignments, falsifying documents, and plagiarism (the act of stealing and using, as one's own, the ideas or the expression of the ideas of another). Such dishonesty can lead to a variety of penalties — including but not limited to failure of assignment, failure of course, loss of institutional privileges, or dismissal from the University. (See University Catalog Academic Policies and Procedures.)

Concord University Honor Code

A Concord University Honor Code was approved by students, staff, faculty, administration, and the CU Board of Governors. The Code states:

"As a member of the Concord University Community I will act with honesty and integrity in accordance with our fundamental principles and I will respect myself and others while challenging them to do the same."

The Honor Code is intended to unite the Concord community behind a culture of honesty, integrity, and civility.

Class/Online Attendance Policy

Regular class attendance is part of a student's academic obligation at Concord. Irregular attendance may affect academic performance adversely and is detrimental to the atmosphere of a class. (See University Catalog Academic Policies and Procedures.)

Emergency Alert System

In an effort to increase safety and security on our campus, Concord University encourages everyone to register for instant text message alerts. Alerts will only be used for security and safety notices. All students, faculty, and staff are eligible to receive text message alerts on their cell phones or email alerts. Please contact the IT Help Desk for further assistance (304-384-5291).

Emergency Information

Emergency/courtesy telephones are located at the main entrance of each residence hall and at various other locations on campus. Emergency telephones can be identified by the flashing blue light and will provide the user with a direct link to Public Safety at the press of a button. To report an on-campus emergency, call 304-384-5357 or 911. The Office of Public Safety is located on the bottom floor of the

Rahall Technology Center. For further emergency information go to:
<http://www.concord.edu/administration/office-public-safety>.

Inclement Weather Policy

As a general policy, the University will remain in normal operations during adverse weather conditions. In the event of severe weather conditions, the following may occur:

University Closure

No students or employees are to report.

Classes Cancelled

Students do NOT report BUT employees are expected to report to work at their normal time.

Operating on an Inclement Weather Delay

Under this schedule, all 8 a.m. classes will start at 10 a.m. Students and faculty will follow the Inclement Weather Schedule. (See <http://www.concord.edu/emergency-alerts> for Athens/Beckley Inclement Weather Schedules.)

**Announcements invoking the late schedule or other options referenced above are aired on area radio and television stations and are sent as text and email messages to those enrolled for this service.*

Student Conduct

In classrooms, online, laboratories, and during any activities that are part of course requirements, students are expected to observe reasonable rules of conduct.

Sexual Harassment & Assault

Federal law, Title IX, and Concord University policy prohibits discrimination, harassment, and violence based on sex and gender (Including sexual harassment, sexual assault, domestic/dating violence, stalking, sexual exploitation, and retaliation). If you or someone you know has been harassed or assaulted, you can receive confidential counseling support through the Concord University Counseling Center (304-384-5290). Alleged Violations can be reported non-confidentially to the Concord University Title IX Coordinator at 304-384-6327 or titleix@concord.edu. Reports to Campus Security can be made at (304-384-5357). As an employee at Concord University, I am a mandatory reporter which means I must report any sexual misconduct I am made aware of. This includes verbal or written (such as in an assignment) disclosures of sexual harassment or sexual assault.

Technology Services

Contact the CU Help Desk at extension 5291 from campus or 304-384-5291 off campus. You may also e-mail cuhelpdesk@concord.edu.
